Apology

Sorry we were not able to offer a Roast Dinner on Wednesday, it was the first day back and we had a problem with the delivery.

Headlice Alert!

We have been notified of an outbreak of head lice in classes RCOL and 1BL, please check your child regularly and treat accordingly. Full information can be found on the school website.

KS2

For security reasons all entrance doors to KS2 will be locked before and after school. If you need to see your child's class teacher at any time, please ask at school office to arrange an appointment, where possible the teacher will try and see you straight away. Children arriving in the morning are to follow usual procedures.

Look What's Been Happening!

St Leonard's has been awarded the following certificates - Gold Award for Sport, Silver Award for Geography (we are the only Primary in Shropshire with this award), The Fairtrade Achiever Award (this is the highest award possible) and we have also been re-accredited with the RE Silver Mark. We are very proud of these achievements and thanks go to all staff and children for their hard work.

We would also like to share with you our news on Forest School, which has been extended. This has enhanced this valuable outdoor learning area. We are grateful to Mr Hamlin who is currently applying for a grant to have a Forest School classroom built in this area to further develop this experience.

Sunday 18 September, 10am-12pm

A chance to help us get ready for the apple harvest as well as have fun with the family!

Attingham Park is looking for families to help collect the ripe apples that have fallen from the trees ready for the apple harvest weekend on 24 and 25 September. Families will also have the chance to make some arty apples to decorate the orchard.

Everyone who takes part will gain free entry to the garden and grounds on Sunday 18 September.

There are a maximum of 20 spaces for this activity so if your family are interested in taking part do get in touch as soon as possible with Kate Christmas, Visitor Experience Officer (Families and Schools) on 01743 708195 or email kate.christmas@nationaltrust.org.uk.
